

2024: Intensive German Courses

Our intensive courses run for 20 lessons per week. They give you a quick and successful introduction to the German language and culture. Our dedicated and qualified language trainers will teach you in a lively and communicative way. Thanks to our personalised support and small learning groups, you will practise the four language skills of reading, listening, speaking, writing and, of course, grammar effectively and intensively. You work with a carefully selected textbook for the respective level, which is supplemented by up-to-date teaching materials.

You will need 8 weeks to complete an entire level.

As an authorised examination centre, we have geared our German courses towards the telc and TestDaF examinations. Our language trainers have telc examination authorisation and many years of teaching experience.
