

German Evening Courses 2021/22

Our courses are running as face-to-face lessons - naturally within all required hygiene and social distancing measures! Our online course options are still available as before. Additionally, if you prefer to learn at home or at your place of work, you can now take part, via video conferencing on your personal computer, in our face-to-face group lessons aswell. Learning in a hybrid course: Contact us - we are happy to inform you.

The evening classes run all year through 2 nights per week for 3 class hours each. They are aligned with the Common European Framework for languages (CEFR) and follow the levels A1 to C1.
